

Dear Parents and Guardians,

September 7, 2023

Welcome back to school! I hope that you all had a wonderful summer. I am excited to be teaching the third grade. This is the beginning of my eleventh year at St. John's Lutheran School. I am so pleased to be surrounded by such caring and dedicated teachers and parents. I am also blessed with the privilege of studying with the best students ever. Please be sure that your child comes to class prepared each day. Please refer to our supply list which is posted on our school's website. **Please cover any workbooks with clear contact paper as soon as possible.**

I feel very strongly about working with parents and guardians to improve the school-life of your children. Home-school communication will be sent through a number of methods. One very important avenue is gradebookwizard. Please make sure you log onto this site often. Student grades will only be posted here. I will also send emails and announcements through this site. Another important communication avenue is google classroom. Please log into the school gmail account and accept the google classroom invite which will be provided in an email. After accepting the invite, please record username and password in order for your child to be able to access their google suite when needed. If you do not already have a gmail account, please contact the office. All homework assignments will be hand written by your child in his or her planner and turned in each morning. I will also post photos of special events on our google classroom stream. You may contact me by sending me a message via gradebookwizard. You may also send me a personal note via your child's take home folder.

I am very excited to meet your child on Thursday, September 7, 2023. I look forward to meeting with you at our meet and greet on Thursday, September 14, 2023. During this time, I will introduce you to our third grade curriculum and classroom expectations. I will also talk about our weekly schedule and acquaint you with our social studies, science and math online websites. I feel truly blessed to be working with such amazing children. I am certain that we will experience a very productive and insightful school year. Please sign and return the bottom portion of this letter during our next class.

Blessings Always,
Mrs. Demontreux

Welcome Letter

I have read the The Third Grade welcome letter.
