

Merry-Go-Round-Book Report

Dear 2nd Grade,

I would like you to read Days With Frog and Toad by Arnold Lobel.

After you read the book - you will make a Merry-Go-Round Book Report.

Then get a piece of paper about 30" x 6". The paper will be long and narrow. Fold the paper into 4 or 5 sections. The sections don't have to be exactly equal.

Print the title, author, and your name on the first section.

Decorate the remaining sections with 3 or 4 scenes or interesting parts from the book. Please write in complete sentences at the bottom of each section to tell me what is in your scene.

When all the panels are completed and decorated, attach the ends to form a "merry-go-round"

For the finishing touch, add a "tent" top piece ~ a paper circle shaped like a cone.

Start early and have fun.

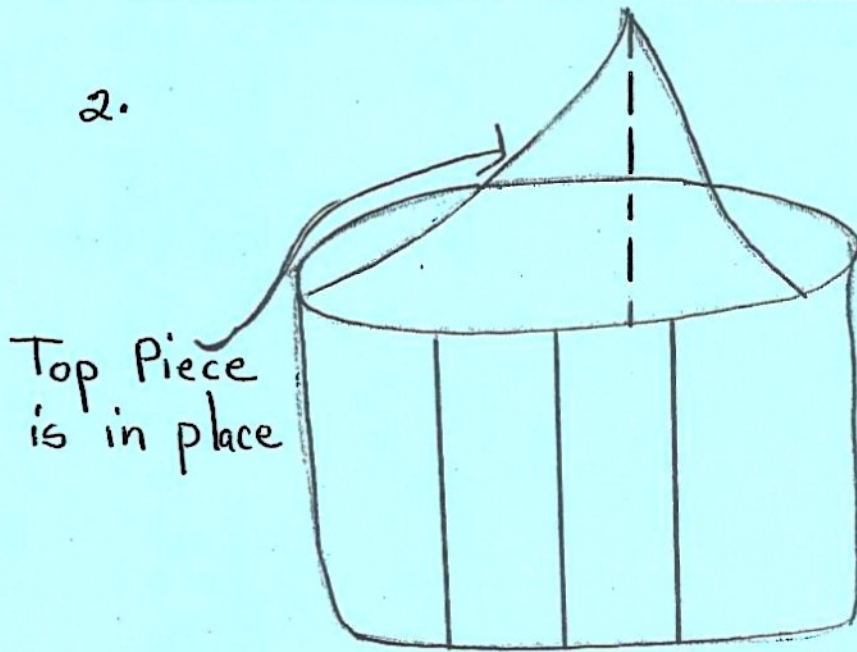

I am looking forward to seeing you when school begins.

Happy Reading,
Mrs. Aversano
