

**Summer Reading and Math Assignments**  
**for Incoming Third Graders (Sept. 2025)**

Dear Parents and Students,

I am very excited to welcome you to the third grade as of September 2025. I hope that you all will have a wonderful and restful summer. I have placed the summer reading and math homework on our school's website. Please read the books entitled "Freckle Juice" and "The Drinking Gourd" that have been provided to you. Complete the diorama book report after reading "Freckle Juice", and complete the comprehension packet for "The Drinking Gourd." You will be planning a birthday party on a specific budget as your math project. These assignments are due on the first day of school. Please read the assignments, and follow the directions and rubrics. These assignments will be graded. Have fun with the projects. I look forward to seeing you in September! Please sign the bottom portion of this letter and return as soon as possible.

Blessings,  
Mrs. Demontreux
